MEMORANDUM OPINION

PER CURIAM

On April 27, 2015, the trial court denied appellants' Application for Temporary Restraining Order and Temporary Injunction. After filing a Motion for New Trial, appellants filed a Notice of Appeal on July 13. Appellants have since filed a motion in which they state, "It now appears that the judgment appealed from was not a final judgment because it was a denial of temporary orders, and not on the merits of the case, thus the appeal may not be pursued until a hearing on the merits is conducted."

The appeal is abated for thirty days from the date of this opinion, at which time appellants shall file a status report informing the Court of what progress has been made in the underlying proceeding.
