**MEMORANDUM OPINION**

Relator Paul Johnson filed a petition for writ of mandamus complaining of the trial court's order granting a motion to compel. *See* Tex. R. App. P. 52. On this record, having reviewed the petition, the response filed by the real party in interest, and relator's reply, we deny the petition for writ of mandamus. *See id.* R. 52.8(a). We further deny the request for sanctions filed by the real party in interest.
