**MEMORANDUM OPINION**

**PER CURIAM**

Appellants Dr. Lawrence Broder, M.D. and Round Rock Medical Aesthetics & Urgent Care PLLC d/b/a Beleza Medspa have filed an unopposed motion to abate the appeal pending rendition of a new final, appealable judgment. In the motion, appellants inform the Court that the trial court has granted a partial new trial and set a hearing for November 26, 2019, on attorneys' fees, court costs, expenses, and sanctions. Appellants anticipate that a new final judgment will follow shortly after the November 26 hearing. If the trial court vacates the judgment on appeal and replaces it with a new judgment, they request that we treat the appeal as from the subsequent judgment. *See* Tex. R. App. P. 27.3. We grant the motion and abate the appeal. Appellants shall submit either a status report concerning the status of the trial-court

proceedings or a motion to reinstate on or before December 4, 2019. The appeal will remain abated until further order of this Court.

It is so ordered on November 8, 2019.
