**MEMORANDUM OPINION**

**Before Justices Garza, Vela, and Perkes  
Memorandum Opinion Per Curiam**

This matter is before the Court on a defective notice of appeal and appellant's failure to correct the defect. On November 3, 2010, and February 8, 2011, the Court advised appellant that the notice of appeal was not in compliance with Texas Rule of

Appellate Procedure 25.1(d)(2) and informed appellant that the appeal would be dismissed if the defect was not cured after the expiration of ten days from the date of receipt of the Court's notice. See Tex. R. App. P. 25.1(d)(2), 37.1, 42.3(b),(c). Appellant has failed to correct the defect or otherwise respond to the Court's notices.

On its own motion, with ten days notice to the parties, an appellate court may dismiss a civil appeal for want of prosecution or failure to comply with a notice from the clerk requiring a response or other action within a specified time. See Tex. R. App. P. 42.3(b),(c). Accordingly, we dismiss the appeal for want of prosecution and failure to comply with a notice from the Court. See *id.*

PER CURIAM

Delivered and filed the  
31st day of March, 2011.
