**MEMORANDUM OPINION**

**Before Chief Justice Contreras and Justices Benavides and Longoria  
Memorandum Opinion by Chief Justice Contreras**

Appellant filed one notice of appeal seeking to alter eight different orders, numbered 1 through 8 within the notice of appeal. The Clerk of this Court assigned a distinct appellate cause number to each order appellant is attempting to appeal. This

opinion addresses the orders numbered 2 through 7 in appellant's original notice.

On March 24, 2020, the Clerk of this Court notified appellant that there was no final, appealable order in relation to her notices numbered 2 through 7. See TEX. R. APP. P.37.1, 42.3(a). Additionally, appellant was advised the appeals would be dismissed if she failed to correct this defect within ten days. Appellant has not corrected the defect.

The Court, having considered the documents on file and appellant's failure to correct the defect in these matters, is of the opinion the appeals should be dismissed for want of jurisdiction. Therefore, we DISMISS the appeals for want of jurisdiction. Accordingly, appellant's motions to extend time and appellant's motions to strike are DISMISSED as moot.
