***MEMORANDUM OPINION  
PER CURIAM***

On May 16, 2012, this Court delivered an opinion conditionally granting the petition for writ of mandamus filed by James Michael Reynolds and Pelhams Industrial Warehouse, Inc. That opinion directed Respondent to (1) vacate his order denying Relators' motion for reconsideration of their motions for severance and transfer of venue and (2) issue an order granting Relators' motion for reconsideration, severing Richard Sharp's claim against Texas Farm Bureau Casualty Insurance Company (formerly against Southern Farm Bureau Casualty Insurance Company), and transferring Sharp's claims against Relators to Tarrant County. Respondent has complied with our order and opinion of May 16, 2012.

All issues attendant to this original proceeding having been disposed of, this mandamus proceeding has now been rendered moot; therefore, the writ need not issue. Accordingly, this original proceeding is *dismissed* as *moot*.

Opinion delivered May 23, 2012.
