***MEMORANDUM OPINION
PER CURIAM***

On October 20, 2011, Appellant filed a notice of appeal from the trial court's denial of its plea to the jurisdiction. However, the trial court has not signed an order memorializing its ruling. On November 9, 2011, this court notified Appellant, pursuant to Texas Rule of Appellate Procedure 37.1, that the information received in this appeal does not contain a final judgment or other appealable order. Appellant was further informed that the appeal would be dismissed if the information received in the appeal was not amended on or before November 29, 2011, to show the jurisdiction of this court. The deadline for amendment has passed, and Appellant has not shown the jurisdiction of this court. Accordingly, the appeal is *dismissed for want of jurisdiction*. See TEX. R. APP. P. 37.1, 42.3.

Opinion delivered December 7, 2011.

Panel consisted of Worthen, C.J., Griffith, J., and Hoyle, J.
