***MEMORANDUM OPINION  
PER CURIAM***

On July 18, 2012, this Court delivered an opinion and order conditionally granting the petition for writ of mandamus filed by Texas Farm Bureau Underwriters. That opinion directed Respondent to vacate his order denying Farm Bureau's motion to sever and abate, and issue an order severing the contractual claim of Terry Graham, Jr., from his extracontractual claims and abating discovery related to the extracontractual claims. Respondent has complied with our opinion and order of July 18, 2012.

All issues attendant to this original proceeding have now been disposed of, rendering this mandamus proceeding moot; therefore, the writ need not issue. Accordingly, this original proceeding is *dismissed as moot*.

Opinion delivered July 31, 2012.
