

NO. 12-15-00079-CR
IN THE COURT OF APPEALS
TWELFTH COURT OF APPEALS DISTRICT
TYLER, TEXAS

IN RE: §
PABLO D. ZUAZU, § *ORIGINAL PROCEEDING*
RELATOR §

MEMORANDUM OPINION
PER CURIAM

Relator Pablo D. Zuazu filed this original proceeding requesting a writ of mandamus directing the trial court to rule on his motion for a twenty-day hearing. *See* TEX. CODE CRIM. PROC. ANN. art. 42.12 § 21(b) (West Supp. 2014). After Relator filed his mandamus petition, the trial court ordered Relator released on a \$2,500.00 personal bond. The court further ordered that “the Henderson County Attorney’s Office and/or Henderson County Sheriff’s Department release any hold they have on this Defendant in reference to this pending Motion.”

By letter dated April 14, 2015, the clerk of this court informed Relator that this proceeding would be referred to the court for dismissal as moot unless, on or before April 24, 2015, he explained why the cause should be retained on the court’s docket. That deadline has passed, and Relator has not responded to this court’s notice. Accordingly, we *dismiss* Relator’s petition for writ of mandamus as moot.

Opinion delivered April 30, 2015.

Panel consisted of Worthen, C.J., Hoyle, J., and Neeley, J.
