Fifth District, St. George Department, 100501128  
The Honorable John J. Walton

Attorneys: Marilyn J. Messer, Washington, Appellant Pro Se

-----

Before Judges Davis, McHugh, and Roth.

¶1 Marilyn J. Messer appeals the trial court's order. This is before the court on its own motion for summary disposition based on the lack of a substantial question for review. Messer failed to respond to the motion. As a result, she has failed to identify a substantial question for review warranting further consideration by this court. *See Utah R. App. P. 10*. Absent a substantial issue for review, this court may summarily affirm a district court's order.

¶2 Affirmed.
