

COURT OF APPEALS OF VIRGINIA

Present: Judges Kelsey, Petty and Senior Judge Bumgardner

LIMON CONSTRUCTION COMPANY AND
STONEWOOD INSURANCE COMPANY

v. Record No. 1849-10-1

EFRAIN GRIMALDO GUERRERO

MEMORANDUM OPINION*
PER CURIAM
JANUARY 11, 2011

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Scott C. Ford; Jessica L. Hacker; McCandlish Holton, PC, on
briefs), for appellants.

(Hugo R. Valverde; Valverde & Rowell, PC, on brief), for appellee.

Limon Construction Company and its insurer appeal a decision of the Workers' Compensation Commission finding that: (1) claimant's need for ongoing medical care and disability was causally related to the work accident; and (2) claimant's pre-injury average weekly wage was \$821.33 rather than \$565.33.

We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Guerrero v. Limon Constr. Inc., VWC File No. 239-91-51 (Aug. 14, 2010). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
