

COURT OF APPEALS OF VIRGINIA

Present: Judges Bumgardner, Kelsey and Senior Judge Hodges

SONJI D. FAULKNER

v. Record No. 2586-04-4

CHUGACH DEVELOPMENT CORPORATION AND
ZURICH AMERICAN INSURANCE COMPANY

MEMORANDUM OPINION*
PER CURIAM
MARCH 1, 2005

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Andrew S. Kasmer; Kira A. Ligato; Chasen & Boscolo, Chartered,
on brief), for appellant.

(Iris W. Redmond; Midkiff, Muncie & Ross, P.C., on brief), for
appellees.

Sonji Faulkner appeals a decision of the Workers' Compensation Commission finding that she failed to prove that her bilateral carpal tunnel syndrome constituted either a compensable injury by accident or a compensable ordinary disease of life. We have reviewed the record and the commission's opinion and find no reversible error. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Faulkner v. Chugach Development Corp., VWC File No. 211-29-49 (Sept. 7, 2004). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.
