

COURT OF APPEALS OF VIRGINIA

Present: Judges Frank, Clements and Haley

LABCORP OF AMERICA AND
CIGNA PROPERTY & CASUALTY
INSURANCE COMPANY

v. Record No. 2791-04-2

KATHY C. BEY

MEMORANDUM OPINION*
PER CURIAM
MAY 10, 2005

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Roger L. Williams; John T. Cornett, Jr.; Williams & Lynch, on
brief), for appellants.

No brief for appellee.

Labcorp of America and its insurer (hereinafter referred to as “employer”) appeal a decision of the Workers’ Compensation Commission finding that Kathy C. Bey proved she sustained a head injury, post-traumatic stress syndrome, and psychiatric problems as a result of her June 13, 2003 compensable injury by accident. We have reviewed the record and the commission’s opinion and find no reversible error. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Bey v. Labcorp of America, VWC File No. 215-51-01 (Oct. 26, 2004). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
