No. 73429-6-1  
UNPUBLISHED OPINION  
FILED: March 21, 2016

PER CURIAM. A.A. appeals the 14-day commitment order for involuntary treatment. The State of Washington concedes there is insufficient evidence to support the trial court's finding that A.A. posed a risk of harm to himself. We accept the State's concession, reverse the trial court's order, and remand for further proceedings.

Reversed and remanded.
