DWYER, J. — Arnold Cruz appeals from the imposition of an exceptional sentence. In cause No. 77930-3-1, we reversed Cruz’s underlying conviction for rendering criminal assistance in the first degree and remanded the matter to the superior court for dismissal of the charge without prejudice. As a result, as to those convictions that remain valid, Cruz must be resentenced. The issue raised herein is moot. Accordingly, this appeal must be dismissed.

Dismissed.
