PER CURIAM — Michael Mullins appeals the financial obligations imposed following his conviction for second degree incest. He contends, and the State concedes, that the \$200 criminal filing fee and \$250 jury demand fee should be stricken from his sentence in light of his indigence, recent legislative amendments, and State v. Ramirez, 191 Wn.2d 732, 746-50, 426 P.3d 714 (2018). We accept the State's concession and remand for the trial court to strike the filing and jury demand fees from Mullins' judgment and sentence.
