)
 Appellant.) FILED: October 8, 2012

Per Curiam – We granted discretionary review to consider the Washington State Department of Licensing’s challenge to the superior court order reversing the suspension of Lance Hoffman’s driver’s license. The parties have now stipulated that this court’s recent decision in Allen v. State, Dep’t of Licensing, ___ Wn. App. ___, 279 P.3d 963 (2012) (No. 66532-4-I, July 2, 2012) requires reversal of the superior court’s decision. We accept the parties’ stipulation.

Accordingly, we reverse the superior court’s order and reinstate the Department’s orders of suspension and disqualification.

Reversed.
