

State of Washington v. Adele Evelyn Ewing, No. 67362-9-I

Schindler, J. (dissenting in part) — Because I concur with the decision we reached in State v. Morgan, 163 Wn. App. 341, 261 P.3d 167 (2011), I respectfully disagree with the decision to vacate the school bus zone enhancement.

In all other respects, I join in the majority opinion.

A handwritten signature in cursive script that reads "Schindler, J." The signature is written in black ink and is positioned to the right of the text above.
