COURT OF APPEALS DIV 1  
STATE OF WASHINGTON  
2014 MAR 10 AM 10:01

PER CURIAM — Rafael Contreras Gonzales appeals the sentence imposed following his convictions for attempting to elude a police vehicle and driving under the influence of alcohol. He contends, and the State concedes, that the sentence condition requiring him to obtain a “substance abuse evaluation” does not accurately reflect the sentencing court’s intent and should be amended to require evaluation and treatment only for alcohol abuse. Gonzales also notes, and the State also concedes, that the portion of the judgment and sentence pertaining to the DUI conviction erroneously refers to 60 months of “community custody” and community custody statutes instead of “probation” under RCW 9.95.210. We accept the State’s concessions and remand for amendment of the judgment and sentence.

Remanded for proceedings consistent with this opinion.
